

## Service Bulletin

Bulletin No. 04-07  
April 30, 2007

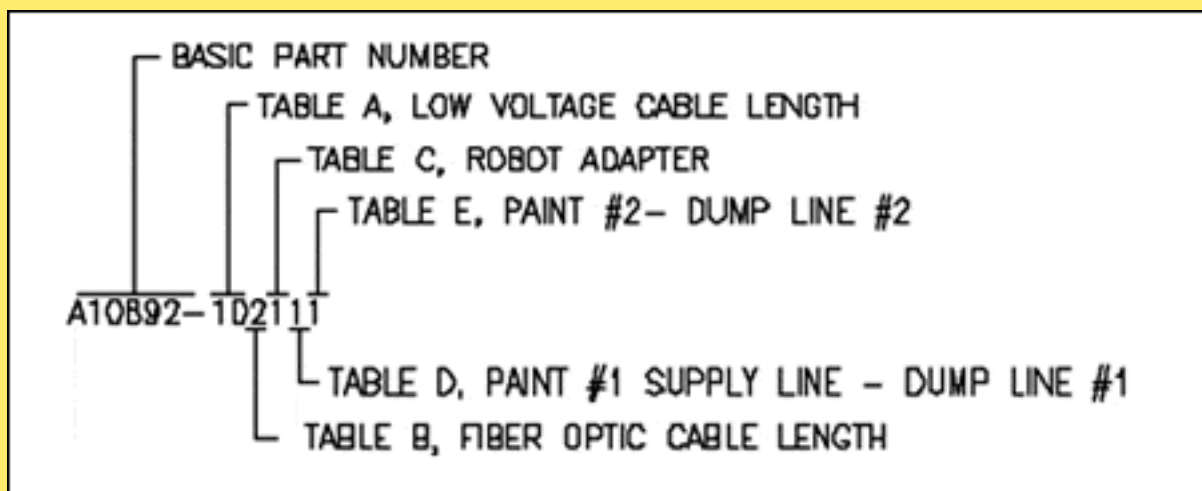

**To:** ITW Ransburg and ITW Automotive Finishing Distributors  
**Subject:** RMA-202 Tubing Bundles (P/N A10892 & 79106)

The ordering structure for the RMA-202 Tubing Bundles (P/N's A10892 and 79106) has changed. The new ordering structure, for P/N A10892, now requires a seven-digit dash number, letters A through E (P/N A10892-AABCDE) which will make it the same as the P/N 79106.

Current Ordering Structure

The **NEW** structure, utilizing a **seven-digit** dash number, letters A through F (P/N A10892-ABBCDEF), now allows for the choice of the tubing assembly length

NEW Ordering Structure

P/N A10892 now has tubing assembly length options:

DASH NO.	DESCRIPTION
0	Air Tubing Not Included
1	4 Meter Long Tubing Assembly
2	9 Meter Long Tubing Assembly

**Note that the options are not in the same order as before.** The ordering structure of the P/N A10892 (Metric) RMA-202 Tubing Bundle now matches the ordering structure of the P/N 79016 (English) RMA-202 Tubing Bundle.

In addition, the ordering options for the tubing assembly length of the P/N 79106 (English) RMA-202 Tubing Bundle has changed. The previous options were:

DASH NO.	DESCRIPTION
