Subject: New Vector Round Spray Nozzle Assy. and Air Cap

A new Vector round spray air cap (part number 79962-00) and fluid nozzle (part number 79959-00) have been developed to help achieve smaller particle size and better penetration into recessed areas. New Vector guns ordered with round spray will have the new style round spray air cap and fluid nozzle.

The old style round spray air cap (part number 79542-00) and fluid nozzle (part number 79544-00) will not be obsolete and will be available, but not as an option on the top level gun assembly. To purchase the old style round spray air cap and fluid nozzle on a new Vector gun, these two items would have to be ordered separately as a spares.

New Part Number/Description	Old Part Number/Description
79962-00, round spray air cap	79542-00, round spray air cap
79959-00, fluid nozzle	79544-00, fluid nozzle
